

## **Composition-Outing**

### **Situation:**

A local youth group in your area is trying to encourage membership for next year. As an active member, you have been asked to prepare an article for the local paper that describes a typical group outing in order to encourage young people to join.

### **Task:**

Choose one interesting outing. Write a composition of about 200 words describing this outing and tell what makes it interesting.

In your composition, be sure to:

- keep in mind that you are writing an article for the local paper
- identify an interesting outing
- describe the place and/or events that make it interesting
- include enough specific examples, details or reasons to make clear why this outing would encourage new members.
- organize what you write.
