

English 11 Syllabus

Mrs. Seemayer

Dear Student and Parents/Guardians,

I am pleased to return to Destiny Christian School for my second year as the high school English teacher. Last year I saw significant growth in each student as they challenged themselves to become stronger readers and writers. This year, we will solidify good practices, and further challenge students to achieve their highest academic potential.

High School years are difficult, yet rewarding. It is a time when students must meet higher academic demands, and mature as individuals and Christians. Students must step forward and surrender themselves to the Lord and His will for their life. Relying on God and finding peace in Him will carry a student through the trials they must endure during these years. In John 15: 2 Jesus states, "Every branch in Me that does not bear fruit He takes away; and every branch that bears fruit He prunes, that it may bear more fruit." During this time in his or her life, a student must allow God to prune away childish practices so that a foundation of maturity may be established. This development is apparent through emotional, academic, and spiritual increase.

The following pages of this syllabus outline the Destiny Christian High School expectations, and well as my personal expectations for this school year. I anticipate a positive year of working with students and parents to achieve high levels of success for each individual. May the Lord bless you and keep you as we endeavor on another year together.

Love, in Christ,
Mrs. Lindsey Seemayer
