

Driver Education-Fill in the blanks

Directions: Fill in the blank with a word that makes sense to you. Circle words near the blank that show why you chose that word.

It is almost impossible to imagine life without music. Almost everywhere we go, we can _____ some form of music. Sometimes we can listen to it in a doctor's or dentist's office, in a shopping center or on the street. In these places, we are forced to listen to music chosen by others, but in our home, or in our cars we ourselves can select the kind of music we enjoy.

Many people have tried to explain how music became so important to live and how it _____. Some say it came from modulation of speech or the rhythm of people's voices. Others think that music began when people imitated the mating calls of animals. There are those who say that battle cries and hunting signals as well as the rhythms heard as people worked are the reasons for musical sounds. But no matter how it began one thing is certain. Music is a part of our lives.

Song and _____, which are the expressions of our speech and body movements, are the chief sources of music. Through the melodies and rhythms of music all the feelings from birth to death can be _____. Music is a strong bond between people. The art of music expresses the joy and sorrow, tension and release that we all feel. Music goes _____ words and expresses feelings that words cannot express. It is a language that has been shaped by thousands of years of human happening. Man and all that he is or hopes to become is reflected in music.
